Kevin,

Your in violation of the restraining order, and triple lawsuit. Don't ever contact me, my wife or children again or you'll be arrested. Also you need to contact the detectives at North Charleston Police department in regards to the 4 trucks you destroyed.

Sincerely,

Richard Johnson

I am adding Richard Johnson and Molly Johnson per Charles Terrini's instructions in a previous email.*

Dear PSC Commissioners,

I am reaching out to you to ask that you hear my case on October 17, 2018.

Mr. Terrini has recently filed a motion to dismiss my case against JMS Worldwide LLC, Richard Johnson and Molly Johnson. Unfortunately, innocent people in South Carolina will continue to be stolen from by JMS Worldwide LLC if you allow them to continue to do business and for this reason I am asking you to revoke JMS's household goods movers license. Please also notice that I am not asking for money from the PSC, I am doing this only to protect innocent people in South Carolina.

In April of 2018, Richard and Molly Johnson of JMS Worldwide LLC stole from me. Since then, I've learned they have been stealing from hundreds of others in the Charleston area. Please see the document I created showing more than one hundred of people that have posted comments online about how Richard and Molly have stolen from them too. I am not one crazy customer that has a problem with the service he received. I am one of hundreds of people. I estimate the Johnson's are overcharging over \$1M/year. (I realize this isn't probably proper evidence and I'll let Mr. Terrini explain why in subsequent motions.)

Richard and Molly Johnson are able to afford expensive attorneys by using the money they have stolen from innocent people.

In Mr. Terrini's email he mentions the ORS found that JMS Worldwide did nothing wrong in my case. However, the ORS is only able to audit a very limited scope of the move and Richard Johnson knows well how to lie to the inspectors to not get in trouble. Next time you see the ORS staff, please pull them to the side and ask them about Richard Johnson, they are well aware of his criminal ways and are frustrated he's been able to get away with this for so long. Please just have a quick water cooler conversation with Nanette and her staff that has been investigating Richard Johnson.

I hope that you are able to put the best interests of South Carolina residents in mind when making this decision.

Thank you,
Kevin Marra

*Note that Molly Johnson has recently been removed as an officer of JMS Worldwide LLC but was an officer of the LLC while hundreds of crimes were committed.
